

### Question 3

Was the relationship between the section (if any) and the course effective, and how could it be improved? What are the strengths and weaknesses of your teaching assistant (discussion section leader, lab section leader, grader or other assistant) as an instructor, and how might his/her teaching be improved?

#### Response 1

Alexander Witte Cerjan

I had no interaction with the TF.

#### Response 2

Alexander Witte Cerjan

No relationship really. Didn't see the TF once this semester.

#### Response 3

Alexander Witte Cerjan

The Teaching Fellow graded our problem sets and was available to answer questions by email. His answers were always prompt and effective. Perhaps holding problem sessions or going over the material outside of class would have been a more beneficial role for learning.
